Telephone number (optional): (702) 227-5696

I request that these comments be made a part of the official record.

1 ☐ I am a resident of Las Vegas Nevada, and I am very concerned about the health & welfare of our community. I do not wish for the waste of other areas to be transported into the area of all our schools, hospitals, industries & community. I greatly fear what some of the consequences of this move of radioactive waste into & through our area can bring.

Carol Murray

Please note: For your comment(s) to be considered in the Final Environmental Impact Statement, your comment(s) need to be received by the Department of Energy by February 9, 2000. To the extent practicable the Department will consider comments received after February 9.
